# Valley County

Located in eastern Montana, Valley County is Montana's 27th most populous with 7,675 residents, according to the 2000 Census.

Glasgow, the county seat, is the state's 24th largest city with a population of 3,253. According to the *Montana Almanac*, by authors Andrea Merrill and Judy Jacobson, the county was established in 1893 and named for its location in the Milk River Valley. The authors add Valley County is one of Montana's largest counties in terms of area.

The city takes its name from Glasgow, Scotland. The county is home to the Fort Peck Dam, the world's largest, hydraulic-fill dam. The Governor's Cup Walleye Tournament is held annually in July at Fort Peck Lake. A portion of the Fort Peck Indian Reservation, Montana's second largest reservation, is located in the county. Art enthusiasts can enjoy musicals and drama in the historic Fort Peck Theater during summer weekends.

According to the U.S. Bureau of the Census, median income for Valley County households in 1997 was \$29,581. The county is 5,062.1 square miles in area; 4,921 square miles in land area and 141.1 in inland water area.

County residents experience the four distinct seasons. According to the *Glasgow Weather Service Office*, the average daily low in Glasgow in January between 1961 and 1990 was 1.2 degrees above zero. The average daily high in July was 84.7 degrees above. The annual precipitation during the same period was 10.96 inches and the growing season was from May 6 to Sept. 27 (last and first frost).

According to the *Montana Almanac*, Valley County has some of the coldest places in Montana: 10 miles north of Opheim with an average daily low in January of minus 3.3 degrees; 12 miles southeast of Opheim with minus 2.9 degrees; Glasgow (airport) with 1.2 degrees above zero and four miles northwest of Lustre with 1.3 degrees above.

PLEASE NOTE: Because of time and budget constraints, we are only able to update our county fliers periodically. Individual tables are updated on a more frequent basis. You can call us if you'd like the most current information for a particular county. The **Annual Averages for County Employment By Industry** are updated annually, usually in June. The **Top Employers** are updated annually. **Per Capita Income** statewide is usually released late spring. **Population data for Montana** is released in late December and county data in March. The **Annual Average Labor Force Information** is benchmarked annually and numbers available before March. The **other tables** contain **Census information** and will be updated every 10 years. You can also look for more current information on our website listed on the front of this publication.

# 1998 New Businesses by Industry

## Valley County

Due to a change in computer software, we're not able to publish current information.

As soon as we're able to get updated numbers for new and changed ownership businesses, we'll begin publishing the information.
